COMMUNITY

15th Anniversary

FUNDRAISING DINNER

Dear Members and Supporters

2011 marks 15 years of service by the Parkinson's Disease Society, Singapore to the Parkinson's community in fulfilling its mission "to promote awareness and understanding of Parkinson's and related disorders by educating patients, carers and their communities, and to support them holistically in their journey with Parkinson's". Since 2010, the Society has engaged full-time staff to better serve people living with Parkinson's. This has enabled the Society to increase the number and variety of its programmes to meet the needs of our patients and caregivers. Moving ahead, the PDSS is actively planning to establish a 'Parkinson's Centre' that will become a one-stop centre for training, programmes and activities for people living with Parkinson's.

To commemorate our 15th Anniversary, the PDSS is organising a 15th Anniversary Fundraising Dinner on 25 November 2011, Friday at the Raffles Town Club Ballroom. The fundraising committee aims to raise \$200,000 through this dinner so as to fund the Society's subsidised programmes and defray the operating costs of running a Centre.

We look forward to your support and participation at this fundraising event.

Ms Julie Lau

President, Parkinson's Disease Society (Singapore)
